

ONI EBENEZER TOMIWA

Oyo State, Nigeria | 08143905306 | oniebenezer1@gmail.com | <https://www.linkedin.com/in/ebenezer-oni-8b1>

SUMMARY

Full-Stack Developer and Founder of EZITOM with 3+ years building responsive web applications for clients across multiple industries. Skilled in React, Flask, MySQL, and AI integration, with a strong eye for design and a product-oriented approach to development. Based in Lagos, Nigeria and available for freelance engagements worldwide.

EXPERIENCE

Full-Stack Developer & AI Integration Specialist - EZITOM

2022 -

Oyo, Nigeria

- Designed and developed responsive client-facing websites and web applications across multiple industries including hospitality, automotive, beauty, and HR technology
- Built and deployed an AI-powered resume screening and candidate evaluation system using Flask, scikit-learn, and MySQL with a navy/teal frontend design, reducing manual screening time for HR teams
- Developed a hotel booking platform with full reservation management, room listings, and availability features
- Built a car dealership website with vehicle listings, search and filter functionality, and appointment booking
- Built a salon website for a beauty business in Ibadan with appointment booking and service showcase features
- Integrated third-party services including EmailJS, Web3Forms, Supabase, and Google Analytics across multiple projects
- Implemented SEO best practices including meta tags, semantic HTML, sitemap.xml, robots.txt, and structured data for client websites
- Managed full project lifecycle from requirements gathering and design to development, testing, and deployment

Frontend Developer - EZITOM

2022 -

Oyo, Nigeria

- Built a personal portfolio website under the EZITOM brand using React and Vite featuring an admin dashboard with full content management capabilities
- Implemented Supabase for real-time cross-device data synchronization of projects, skills, and messages
